DOCKET NOS. SW-20379A-05-0489 AND
W-20380A-05-0490**

On July 7, 2005, Perkins Mountain Utility Company ("Perkins Utility") filed with the Arizona Corporation Commission ("Commission") an application for a Certificate of Convenience and Necessity ("Certificate") to provide wastewater, and Perkins Mountain Water Company ("Perkins Water") to provide water, to two master-planned communities in Mohave County, Arizona, Golden Valley South consists of 5,750 acres and is located approximately five miles southeast of Kingman, Arizona. The Villages a White Hills consists of approximately 2,727 acres and is located along U.S. Highway 93, approximately 29 miles south of Hoover Dam. If the Application is granted, Perkins Utility and Perkins Water would be required by the Commission to provide service under rates and charges and terms and conditions established by the Commission. On March 31, 2006, Perkins Mountain Utility Company and Perkins Mountain Water filed an Amendment to their Application for a Certificate of Convenience and Necessity for Perkins Mountain Water Company ("Amendment"). The Amendment requested a Certificate for a portion of the service area originally requested and an Order Preliminary for the remainder of the service area originally requested.

The amended application is available for inspection during regular business hours at the offices of the Commission in Phoenix, at 1200 West Washington Street, Phoenix, Arizona or in Tucson at 400 West Congress Street, Suite 218, and at the Company's office, 2215 Hualapai Mountain Rd. Suite H, Kingman, Arizona, 86401.

The Commission will hold a hearing on this matter commencing on July 31, 2006, at 10:00 a.m. or as soon thereafter as is practical, at the Commission's offices, 1200 West Washington Street, Phoenix, Arizona. Public comment will be taken on the first day of the hearing.

The law provides for an open public hearing at which, under appropriate circumstances, interested persons may intervene. Intervention shall be permitted to any person entitled by law to intervene, and having a direct and substantial interest in the matter. Persons desiring to intervene must file a written motion to intervene with the Commission, which motion should be sent to Applicant or its counsel and to all parties of record, and which, at the minimum, shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and any person upon whom service documents is to be made if different from the intervenor;
2. A short statement of the proposed intervenor interest in the proceeding (e.g., a customer of Applicants, a shareholder or member of the Applicant, etc.);
3. A statement certifying that a copy of the motion to intervene has been mailed to Applicants or this counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before May 31, 2006. The granting of intervention, among other things, entitles a party to present sworn evidence at the hearing and to cross-examine other witnesses. Failure to intervene will not preclude any customer from appearing at the hearing and making a statement on such customer's behalf. However, you will not receive any further notice of the proceeding unless requested by you.

If you have any questions or concerns about this application or have any objections to its approval, or wish to make a statement in support of it, you may write the Consumer Services Section of the Commission at 1200 West Washington Street, Phoenix, Arizona 85007, or call 1-800-222-7000 or appear at the hearing and make comment.
